### 8 STATEMENT OF FACTS

#### 9 A. The Smuggling Offense

10 On November 13, 2007, at approximately 6:00 p.m., Border Patrol Agent Stephen Carter was  
11 operating the Remote Video Surveillance System (RVSS) observed a group of suspected illegal aliens  
12 raft across the Briar Canal. This area is located several hundred yards to the west of the Calexico East  
13 Port of Entry. Agent Carter continued to observe the group and informed other agents that the group  
14 had rafted across the Briar Canal and ran north through the agricultural fields towards Carr Road.

15 Initially, Agent Vega-Torres and Agent Harrington positioned themselves in an area several  
16 hundred yards east of the group. However, as Agent Vega-Torres drove towards the area where the  
17 group of illegal aliens were last seen, he noticed that he was traveling behind a green Ford Crown  
18 Victoria ("the vehicle"), bearing California license plate 5XOB771. When the vehicle turned  
19 westbound on Carr Road, Agent Vega-Torres noticed that the vehicle was traveling in a circle. Agent  
20 Vega-Torres followed the vehicle as it traveled westbound to Barbara Worth Road. When the vehicle  
21 turned north on Barbara Worth Road, Agent Vega-Torres remained near the intersection of Carr Road  
22 and Barbara Worth Road.

23 Meanwhile, Agent Harrington observed the group of suspected illegal aliens run north through  
24 the fields and then lie down a short distance south of Carr Road. Agent Vega-Torres then observed  
25 a white Ford Aerostar van ("the van") turn onto Carr Road and travel towards the group of suspected  
26 illegal aliens. Agent Harrington then observed the van pass the group's location and continue to drive  
27 eastbound on Carr Road. Minutes later, Agent Vega-Torres observed the van once again drive towards  
28

1 the group's location. At approximately the same time, Agent Harrington once again observed the  
2 Crown Victoria pass his location on Carr Road.

3 The van and the vehicle passed each other, traveling in opposite directions on Carr Road. The  
4 vehicle continued to drive westbound towards Agent Vega-Torres. The van pulled to the side of the  
5 road and stopped near the group. Both Agent Carter, who was still operating the RVSS, and Agent  
6 Harrington observed the group enter the van. Border Patrol agents began to follow the van and shortly  
7 thereafter, activated their emergency lights and sirens to stop the van. The driver of the van, later  
8 identified as defendant Jose Heredia-Guzman, ignored the lights and sirens and continued westbound  
9 on Interstate 8. A controlled tire deflation device was used to stop the van. However, defendant  
10 Heredia-Guzman continued to drive the van and then moved to the passenger seat of the van while it  
11 was still moving. Eventually, the disabled van rolled to a stop one foot away from a large wooden post.

12 Border Patrol agents approached the van and identified themselves. Agent Harrington made  
13 contact with defendant Heredia-Guzman, who was seated in the front passenger seat. Defendant  
14 Heredia-Guzman stated that he was a citizen of Mexico without any immigration documents to allow  
15 him to be in the United States. Nine other individuals were found crouched down in the rear portion  
16 of the van. All nine individuals stated they were citizens of Mexico without any immigration  
17 documents that would allow them to be in the United States. All the individuals were arrested and  
18 transported to the Calexico Border Patrol Station.

19 Meanwhile, Agent Vega-Torres began to follow the Crown Victoria after it passed him on Carr  
20 Road. The vehicle zig-zagged back and forth on the lightly traveled road until it ultimately entered  
21 Interstate 8 and drove passed the location where the other agents had apprehended the van. Agent  
22 Vega-Torres and Agent Mills conducted a stop of the vehicle. The agents made contact with the driver  
23 of the vehicle, later identified as defendant Gallardo-Samano. Defendant Gallardo-Samano claimed  
24 to be a citizen of Mexico without any immigration documents that would allow him to be in the United  
25 States. Defendant Gallardo-Samano was arrested and transported to the Calexico Border Patrol  
26 Station.

1  
2       **1. Defendant Heredia-Guzman's Statement of the Offense**

3       At approximately 10:09 p.m., Agent Vega-Torres advised defendant Heredia-Guzman of his  
4 Miranda rights, which he acknowledged and waived. Heredia-Guzman again stated that he was a  
5 citizen of Mexico without any immigration documents. Heredia-Guzman admitted that he illegally  
6 entered the United States five days prior to his arrest. Once in the United States, Heredia-Guzman met  
7 with a smuggler named "Cholo." Cholo offered to transport Heredia-Guzman to Indio, California for  
8 \$1500. Since Heredia-Guzman did not have the money to pay the smuggling fee, he agreed to "drive"  
9 for Cholo in lieu of the smuggling fee.

10       Heredia-Guzman was taken to Indio, California where he was then given keys to the white van.  
11 The smugglers instructed Heredia-Guzman to drive back to the Walmart in Calexico, California. He  
12 arrived at the Walmart at approximately 5:00 p.m. on November 13, 2007. Once there, he received a  
13 phone call on his cellular phone and was instructed to pick up the illegal aliens. Heredia-Guzman was  
14 given directions as to where to pick up the illegal aliens. The first time he drove passed the location,  
15 he did not see the group. When he made the second trip, someone called him on his phone and told  
16 him where to stop the van. When he stopped, approximately seven individuals entered the van.

17       Once he picked up the aliens, he began to drive towards El Centro, California. Heredia-  
18 Guzman admitted that he did not stop the van when he saw the agents' lights and sirens or after he felt  
19 the van's tires deflating. Instead, Heredia-Guzman admitted that he moved to the passenger seat of the  
20 van while it was still in motion and instructed the smuggled aliens not to tell the agents that he was  
21 driving the van.

22       **2. Defendant Vasquez-Mendoza's Statement of the Offense**

23       At approximately 11:44 p.m., Agent Vega-Torres advised defendant Vasquez-Mendoza of his  
24 Miranda rights, which he acknowledged and waived. Vasquez-Mendoza again stated that he was a  
25 citizen of Mexico without any immigration documents. Vasquez-Mendoza also admitted that he  
26 guided eight illegal aliens into the United States and that he was to receive \$50.00 for each alien.

27       Vasquez-Mendoza stated that he led the group across canals and eventually to the loading spot  
28 where they were picked up by the van. The driver of the van opened the door and instructed them to

1 get inside the van and to sit down. Vasquez-Mendoza realized that they were being followed when he  
2 heard the sirens and saw the lights. Vasquez-Mendoza further stated that after the van's tires had  
3 popped, the driver of the van got out of the driver's seat. The van kept moving without a driver and  
4 eventually came to a stop.

5 **3. Defendant Gallardo-Samano's Statement of the Offense**

6 At approximately 12:20 a.m. on November 14, 2007, Agent Vega-Torres advised defendant  
7 Gallardo-Samano of his Miranda rights, which he acknowledged and waived. Defendant Gallardo-  
8 Samano stated that he was a citizen of Mexico and that he had a border crosser card which was stolen  
9 in May of 2007.

10 Gallardo-Samano stated that he had illegally entered the United States approximately two  
11 months. On November 13, 2007, he had an argument with his girlfriend and decided to go to Mexicali.  
12 He drove to the Walmart in Calexico. Once there, he called his girlfriend and asked her to go to  
13 Mexico with him. She agreed and they had planned to meet at the Walmart. Gallardo-Samano further  
14 claimed that he drove around the area surrounding the Calexico East Port of Entry to waste time while  
15 he waited for his girlfriend to arrive.

16 Gallardo-Samano denied any involvement in the smuggling offense.

17 **4. Cellular Phones**

18 One cellular phone was seized from defendant Heredia-Guzman and one cellular phone was  
19 seized from defendant Gallardo-Samano. Agents compared the numbers from both phones and  
20 discovered that the two phones had four common numbers in their list of contacts. Defendant  
21 Gallardo-Samano's phone showed that he had contact from three of these four numbers during the time  
22 he claimed to be waiting for his girlfriend.

23 **5. Material Witnesses' Statements**

24 Three illegal aliens from the van were retained as material witnesses – Martin Sanchez-Campos,  
25 Juan Ramon Yupit-Chac and Nocaora Moreno-Koh. Each provided a videotaped statement, in which  
26 they admitted to being citizens and nationals of Mexico with no legal right to enter or reside in the  
27 United States. Sanchez-Campos stated that he was going to pay \$2300 to be smuggled to New York.  
28 Yupit-Chac stated that he was going to pay an unknown amount to be smuggled to Los Angeles,

1 California. Moreno-Koh stated that her husband was going to pay a fee for her to be smuggled into  
2 the United States.

4 **GOVERNMENT'S MOTION**

5 **A. MOTION FOR RECIPROCAL DISCOVERY**

6 **1. RULE 16(b)**

7 The United States, pursuant to Rule 16 of the Federal Rules of Criminal Procedure, requests  
8 that Defendant permit the United States to inspect, copy, and photograph any and all books, papers,  
9 documents, photographs, tangible objects, or make copies of portions thereof, which are within the  
10 possession, custody or control of Defendant and which Defendant intends to introduce as evidence in  
11 his case-in-chief at trial.

12 The United States further requests that it be permitted to inspect and copy or photograph any  
13 results or reports of physical or mental examinations and of scientific tests or experiments made in  
14 connection with this case, which are in the possession or control of Defendant, which Defendant  
15 intends to introduce as evidence-in-chief at the trial, or which were prepared by a witness whom  
16 Defendant intends to call as a witness. Because the United States will comply with Defendant's  
17 request for delivery of reports of examinations, the United States is entitled to the items listed above  
18 under Rule 16(b)(1) of the Federal Rules of Criminal Procedure. The United States also requests that  
19 the Court make such order as it deems necessary under Rules 16(d)(1) and (2) to ensure that the United  
20 States receives the discovery to which it is entitled

21 **2. RULE 26.2**

22 Rule 26.2 of the Federal Rules of Criminal Procedure requires the production of prior  
23 statements of all witnesses, except a statement made by Defendant. This rule thus provides for the  
24 reciprocal production of Jencks statements.

25 The time frame established by the rule requires the statement to be provided after the witness  
26 has testified. To expedite trial proceedings, the United States hereby requests that Defendant be  
27 ordered to supply all prior statements of defense witnesses by a reasonable date before trial to be set  
28

1 by the Court. Such an order should include any form in which these statements are memorialized,  
2 including but not limited to, tape recordings, handwritten or typed notes and/or reports.
